

## **NAPCO Security Technologies to Exhibit at ISC West Company to Demonstrate Latest Security Products at Booth 12043 at the Sands Expo Center in Las Vegas**

AMITYVILLE, N.Y., March 31, 2015 /PRNewswire/ -- [NAPCO Security Technologies](#), Inc. (Nasdaq: NSSC), one of the world's leading providers and manufacturers of high-technology electronic intrusion security, connected home, video and fire systems, as well as enterprise-class access control and door locking products, today announced it will be exhibiting at the International Security Conference in Las Vegas from April 15-17 at the Sands Expo Center at Booth 12043.

Richard Soloway, Chairman and CEO of NAPCO Security Technologies, Inc., and the NAPCO team will be revealing their professional security solutions at the industry's largest trade show in the nation, with attendees said to represent \$50B in buying power.

NAPCO Security Division will debut its eagerly-anticipated additions to the iBridge™ Connected Home line, including the iBridge Messenger™ SMS/MMS Text and Video Alert Notifications and a Wireless Carbon Monoxide Detector for the NAPCO Gemini & Commercial Systems lines. NAPCO will also introduce an expanded StarLink Cellular Communications lineup, which will include a wide array of universal code-compliant models for every application, anywhere in the US, such as the new StarLink Verizon™-Network-Certified CDMA Model, plus Sole Path Fire Communicators for use with any 12V-24V FACPs, and Mercantile Models for burglary and fire reporting.

NAPCO's Alarm Lock Division will show new decor-customizable ArchiTech™ Networx Designer Wireless Access Control Locks. Its Marks USA Division will feature Lifesaver™ Healthcare Locking. Both locking divisions will exhibit new tiered LocDown™ Solutions for K-12 Schools, Colleges and Universities. Capitalizing on the Company's engineering synergies, NAPCO's Continental Access® kiosks will feature live demonstrations of how its Fusion™ CardAccess® Enterprise Class Security & Access Control Software Platform, v.2.11 can provide government, corporations, educational and healthcare institutions a scalable interoperable system which integrates alarms, life-safety, video, access control, physical and virtual ID badging, visitor management and locking in one IT-secure and user-friendly environment.

"We have been at every ISC West Expo since the start, and we are thrilled to be showcasing the smartest, most innovative solutions for commercial and residential security," said NAPCO Securities CEO Richard Soloway. "NAPCO is committed to developing products that provide professional-grade protection and convenience at home and in the workplace."

NAPCO management will also be available for one-on-one meetings during the conference. To schedule a meeting, please contact KCSA Strategic Communications at [napco@kcsa.com](mailto:napco@kcsa.com).
