

NAPCO Security Technologies Included in the Newsday Long Island Stock Index 2016 Winners List - NAPCO shares returned 44.1% during 2016-

AMITYVILLE, N.Y., Jan. 4, 2017 /[PRNewswire](#)/ -- NAPCO Security Technologies, Inc. (NASDAQ: NSSC), one of the world's leading solutions providers and manufacturers of high tech electronic intrusion security, IoT connected home, video and fire systems, as well as enterprise-class access control and door locking products, today announces that it was included in the Newsday Long Island Stock Index winners list for 2016.

The index is comprised of publicly traded companies in the Long Island, NY area. For the year 2016 the index returned 15.9% while NAPCO shares returned 44.1% for the year. In addition, NAPCO far outperformed the Dow (13.4%) the S&P 500 (9.5%) and the Russell 2000 (19.5%). NAPCO is proud to have achieved such a strong return on investment for its shareholders, and has a long history on Long Island where it employs over 200 people at its headquarters in Amityville, NY.

Richard Soloway, CEO of NAPCO commented "We are delighted to be highlighted in the index winners for 2016 and also of the returns that we have generated for our shareholders. Our new products such as our Starlink cellular radios and School LocDown Solutions are helping to grow our business, while our engineers are busy developing more new exciting products for the future. Our stock performance is indicative of the market reception to our many new products and of the hard work of our employees in 2016. We are excited about the future as we head into 2017."
