

## **NAPCO Security Technologies to Present at the Microcap Conference**

AMITYVILLE, N.Y., March 29, 2017 /PRNewswire/ -- NAPCO Security Technologies (NASDAQ: NSSC) one of the world's leading solutions providers and manufacturers of high-tech electronic intrusion security, IoT connected home, video and fire systems, as well as enterprise-class access control and door-locking products today announced that management will present at the Microcap Conference in New York on April 4, 2017.

NAPCO management is scheduled to present on April 4 at 10:00 AM ET with one-on-one meetings held throughout the conference. NAPCO management will be discussing it's Starlink Radios which bring recurring revenue to the Company as well as the urgent need for school security products to better protect faculty and students. NAPCO has the widest offering of school security products that are currently used in thousands of schools across the US.

The presentation will be webcast live and available for replay in the Investor Relations section of NAPCO's website at [www.napcosecurity.com](http://www.napcosecurity.com).

To receive additional information, request an invitation or to schedule a one-on-one meeting, please contact Tony Yu at The Microcap Conference or Patrick McKillop, Director IR for NAPCO at [pmckillop@napcosecurity.com](mailto:pmckillop@napcosecurity.com).
