

NAPCO Security Technologies to Present at the 6th Annual Liolios Gateway Conference on September 6, 2017

AMITYVILLE, N.Y., Aug. 31, 2017 /[PRNewswire](#)/ -- NAPCO Security Technologies (NSSC) one of the world's leading solutions providers and manufacturers of high tech electronic intrusion security, IoT connected home, video and fire systems, as well as enterprise-class access control and door locking products announced that management will present at the [2017 Gateway Conference](#) being held on September 6-7, 2017 at the Four Seasons Hotel in San Francisco.

NAPCO management is scheduled to present on Wednesday, September 6 at 8:30 A.M. PT, (11:30 A.M. ET) with one-on-one meetings held throughout the conference. NAPCO management will be highlighting the rapid growth in recurring revenue from its Starlink Cellular Communicators as well as the large market opportunity for its products in school security.

The presentation will be webcast live and available for replay in the Investor Relations section of NAPCO's website at www.napcosecurity.com or on the Gateway Conference website at www.gateway-conference.com/presenters.

To receive additional information, request an invitation or to schedule a one-on-one meeting, please email gateway@liolios.com or Patrick McKillop, Director IR for NAPCO at pmckillop@napcosecurity.com

About the Gateway Conference

The 6th Annual Gateway Conference is an invite-only conference presented by Liolios, which brings together the most compelling companies with the nation's top institutional investors and analysts. This year's event features more than 100 companies from a number of growth industries, including technology, business and financial services, consumer, digital media, clean technology and life sciences. The format has been designed to give attendees direct access to senior management via company presentations, Q&A sessions and one-on-one meetings. For more information, visit www.gateway-conference.com or www.liolios.com.
