NAPCO Security Technologies to present at the Raymond James Technology Conference on December 9, 2019

AMITYVILLE, N.Y., Dec. 5, 2019 /PRNewswire/ -- NAPCO Security Technologies, Inc. (NasdaqGS: NSSC), one of the world's leading solutions providers and manufacturers of high-tech electronic intrusion security, school safety lock down systems, Internet of Things (IoT) connected home, video and fire systems, as well as enterprise-class access control and door locking products, today announced that management will be presenting at the Raymond James Technology Conference in New York, NY on December 9, 2019.

NAPCO management will present on December 9th at 1:50PM ET and be hosting one-on-one meetings held throughout the conference. The topics to be highlighted during the conference will include recently reported Fiscal Q1 2020 results, the business mix shift to recurring revenues with higher margins from the Starlink Communicator family of products and addressing the urgent need for securing the schools in the US. NAPCO has a product portfolio for school security that fits the needs of K-12's and large universities.

The presentation will be webcast live and available for replay on the company website www.napcosecurity.com

To receive additional information, request an invitation or to schedule a one-on-one meeting, please contact your Raymond James sales representative or Patrick McKillop, Director IR for NAPCO at pmckillop@napcosecurity.com.

About NAPCO Security Technologies, Inc.

NAPCO Security Technologies, Inc. is one of the world's leading solutions providers and manufacturers of high-technology electronic security (including recurring service fee revenue), IoT connected home, video, fire alarm, access control and door locking systems. The Company consists of four Divisions: NAPCO, its security and IoT connected home segment, plus three wholly-owned subsidiaries: Alarm Lock, Continental Instruments, and Marks USA. Headquartered in Amityville, New York, its products are installed by tens of thousands of security professionals worldwide in commercial, industrial, institutional, residential and government applications. NAPCO products have earned a reputation for innovation, technical excellence and reliability, positioning the Company for growth in the multi-billion dollar and rapidly expanding electronic security market.
