

NAPCO Security Technologies Announces Full Exercise of Underwriters' Option to Purchase Additional Shares from Selling Stockholder

AMITYVILLE, N.Y., Dec. 18, 2020 /[PRNewswire](#)/ -- NAPCO Security Technologies, Inc. (NASDAQ: NSSC) ("NAPCO"), one of the world's leading manufacturers and service providers of high-tech electronic security devices as well as a leading provider of school security and safety solutions, announced today that the underwriters of the previously announced underwritten secondary public offering by NAPCO's Chairman of the Board, President and Chief Executive Officer, Richard L. Soloway (the "Selling Stockholder"), have exercised in full the Underwriters' option to purchase an additional 334,961 shares of common stock of NAPCO from the Selling Stockholder. The initial closing of the secondary public offering occurred on December 15, 2020, in which the Selling Stockholder sold 2,233,071 shares at a public offering price of \$26.00 per share. It is expected that the sale of the Underwriters option shares will close on December 21, 2021, subject to customary closing conditions.

NAPCO is not issuing or selling any shares of common stock in the offering and therefore will not receive any of the proceeds from the sale of common stock being sold in the offering by the Selling Stockholder. Upon completion of the Underwriters' option closing, the Selling Stockholder will continue to own approximately 20% of the issued and outstanding shares of common stock of NAPCO.

B. Riley Securities, Inc. and Needham & Company, LLC acted as joint book-runners for the offering.

The securities described above are being offered by the Selling Stockholder pursuant to an effective registration statement on Form S-3 (File No. 333-248078) previously filed by the company with the Securities and Exchange Commission (the "SEC") and declared effective by the SEC on August 24, 2020.
