

NAPCO Security Technologies To Present at the 43rd Annual William Blair Growth Stock Conference

AMITYVILLE, N.Y., May 31, 2023 /PRNewswire/ -- NAPCO Security Technologies, Inc. (NASDAQ: NSSC), one of the leading designers and manufacturers of high-tech electronic security devices, wireless recurring communication services for intrusion, fire alarm, access control and locking systems as well as a leading provider of school safety solutions today announced that management will be presenting and hosting one on one meetings with investors at the 43rd Annual William Blair Growth Stock Conference on June 7, 2023 in Chicago.

NAPCO management is scheduled to present at 3:20 PM CT on Wednesday, June 7 and host in person meetings that day. The topics to be highlighted during the conference will include the company's recent record fiscal third quarter 2023 results which had sales grow 21% year over year to a record \$43.5 million and its recurring revenues grew 26% year over year to \$15.1 million dollars with gross margins of 90%. In addition, we will be discussing our line of school security and safety products that address the urgent need for securing the schools in the US. NAPCO has a product portfolio for school security that fits the needs of K-12's and large universities.

The presentation will be webcast live and interested parties can find a link to the webcast on the Investor Relations section of NAPCO's website (www.napcosecurity.com).

To receive additional information, request an invitation or to schedule a one-on-one meeting, please contact your William Blair sales representative or Patrick McKillop, Vice President of Investor Relations for NAPCO at pmckillop@napcosecurity.com.

About NAPCO Security Technologies, Inc.

Safe Harbor Statement

This press release contains forward-looking statements that are based on current expectations, estimates, forecasts and projections of future performance based on management's judgment, beliefs, current trends, and anticipated product performance. These forward-looking statements include, but are not limited to, statements relating to the impact of COVID-19 pandemic; the growth of recurring service revenue and annual run rate; the introduction of new access control and locking products; the opportunities for fire alarm products; and our ability to execute our business strategies. Actual results, performance or achievements could differ materially from those anticipated in such forward-looking statements as a result of certain factors, including those risk factors set forth in the Company's filings with the Securities and Exchange Commission, such as our annual report on Form 10-K and quarterly reports on Form 10-Q. Other unknown or unpredictable factors

or underlying assumptions subsequently proving to be incorrect could cause actual results to differ materially from those in the forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance, or achievements. You should not place undue reliance on these forward-looking statements. All information provided in this press release is as of today's date, unless otherwise stated, and the Company undertakes no duty to update such information, except as required under applicable law.
