

## **NAPCO Security Technologies To Present at the Cowen and Company 47th Annual TMT Conference**

AMITYVILLE, N.Y., May 29, 2019 /PRNewswire/ -- NAPCO Security Technologies, Inc. (NasdaqGS: NSSC), one of the world's leading solutions providers and manufacturers of high tech electronic intrusion security, school safety lock down systems, Internet of Things (IoT) connected home, video and fire systems, as well as enterprise-class access control and door locking products, today announced that management will be presenting at the Cowen and Company 47<sup>th</sup> Annual Technology, Media & Telecom Conference on May 30, 2019, taking place in New York City.

NAPCO management will be presenting at 2:10 PM ET on May 30, 2019. NAPCO management will also be hosting one-on-one meetings throughout the conference. The management team will be discussing its recent fiscal third quarter 2019 results and the two key growth drivers for the Company, the addition of recurring monthly revenue and new products that address the urgent need for increased school and places of worship security.

To receive additional information, request an invitation or to schedule a one-on-one meeting, please contact Cowen & Co. or Patrick McKillop, Director IR for NAPCO at [pmckillop@napcosecurity.com](mailto:pmckillop@napcosecurity.com).

### **About NAPCO Security Technologies, Inc.**

NAPCO Security Technologies, Inc. is one of the world's leading solutions providers and manufacturers of high-technology electronic security (including recurring service fee revenue), school safety lock down systems, IoT connected home, video, fire alarm, access control and door locking systems. The Company consists of four Divisions: NAPCO, its security and IoT connected home segment, plus three wholly-owned subsidiaries: Alarm Lock, Continental Instruments, and Marks USA. Headquartered in Amityville, New York, its products are installed by tens of thousands of security professionals worldwide in commercial, industrial, institutional, residential and government applications. NAPCO products have earned a reputation for innovation, technical excellence and reliability, positioning the Company for growth in the multi-billion dollar and rapidly expanding electronic security market. For additional information on NAPCO, please visit the Company's web site at <http://www.napcosecurity.com>.
