

NAPCO Security Technologies Awarded School Security Project for the Tatum, TX Independent School District

AMITYVILLE, N.Y., Oct. 27, 2021 /PRNewswire/ -- NAPCO Security Technologies, Inc. (NASDAQ: NSSC), one of the leading designers and manufacturers of high-tech electronic security devices, wireless subscription communication services for intrusion, fire alarm, access control and locking systems as well as a leading provider of school safety solutions today announced that its products have been selected for use in a school security project at the Tatum, TX ISD. The school district has over one thousand students which are attending classes at two elementary schools, one middle school and one high school.

The project includes the installation of NAPCO 's Alarm Lock division ArchiTech Networkx Mortise Wireless Locksets and Continental Access division Access Control products which will provide an integrated enterprise class security solution. The new CA4K software and associated hardware will control access to over 400 doors on the school districts four different schools. Features of the CA4K software program include rapid door opening times, full data downloads in minutes, email and SMS alerts and control of up to 32,000 doors. ArchiTech Series Networkx Locks are an ideal access control solution; elegantly blending advanced wireless access control convenience within any décor. Features include emergency lock-down option via lock, button, key fob or server and future-proof multi-technology access ID credentials to replace cumbersome keys.

Richard Soloway, CEO of NAPCO commented "We are very happy to report this school security project at the Tatum, TX ISD being added to our roster of safer schools. As students and faculty return to schools after the COVID-19 pandemics darkest days the nation has unfortunately witnessed several school events this year. Thus we believe that school administrators will return to focusing on the issue of securing the schools. NAPCO is a leader in school security products and solutions and we are proud to be chosen by another school district to secure the schools for its students and faculty. We would like to thank the Tatum, TX ISD for choosing our products."

About NAPCO Security Technologies, Inc.
